

Leadership Capacity means...

Leaders are freed to spend time on strategic decision making  
instead of managing day-to-day minutia (*micro-managing*)

People working on projects aren't slowed down by "helpful leaders"

*(Capacity to lead yourself)*

## Leadership Capacity means...

Leaders are freed to spend time on strategic decision making instead of managing day-to-day minutia (*micro-managing*)

People working on projects aren't slowed down by "helpful leaders" (*Capacity to lead yourself*)
