

Leadership Capacity means...

Leaders are freed to spend time on strategic decision making
instead of managing day-to-day minutia (*micro-managing*)

People working on projects aren't slowed down by "helpful leaders"

(Capacity to lead yourself)

Leadership Capacity means...

Leaders are freed to spend time on strategic decision making instead of managing day-to-day minutia (*micro-managing*)

People working on projects aren't slowed down by "helpful leaders" (*Capacity to lead yourself*)

BENEFITS, EXPLAINED
